# WELCOME

*JOE AND PEGGY PAYNE*

*JAY, GLACIA AND COLTON FAGAN*

It is a pleasure to welcome you once again to the Payne Angus Ranch Annual Production Sale. This sale offering is the result of an ongoing plan based on an intensive selection process to build a herd of genetically superior cattle. We could not be more excited about them. We are pleased to again welcome our special guests Howell Angus and Naylor Cattle Company with their outstanding consignments.

Over the past eight years, we have predominately built our cowherd from Schaff Angus Valley genetics, the world's leading source of performance Angus genetics. Our breeding program is focused on the parameters that affect profitability of cattlemen who sell pounds for a living with a balance of efficient production combined with a quality end product. Our cattle are selected on performance, structure, phenotype and maternal traits to best suit the wide array of applications.

These bulls offer tremendous quality and are capable of advancing the goals of progressive cattlemen.

The female offering represents our best to date and includes some of the most prominent cow families in the Angus breed. This outstanding set of replacement heifers demonstrate the epitome of performance and maternal traits combined in one package. These females have the capability to make a lasting contribution and a lifetime of earning potential for their new owners.

We are happy to hear from you and look forward to seeing you on sale day.

Sincerely,

Jay Paul Fagan  
Payne Angus Ranch Manager
